"Just Us Teens" is a support group designed for teens between the ages of 12 -16. Attached to this sheet is a flyer describing our teen support group. Please fill out all information and return it to the Family Counseling Center. We recommend that you return this form far enough in advance so we can process your child's registration for group placement. Classes will be held on Mondays from 4:00 p.m. to 4:50 p.m. Once group begins, it will be a closed group for six weeks. Therefore, if your child misses the first group session, she/he must wait until the next group begins.

Thanks,
Maria Coleman, LPC Jennifer Davis. MS
